About Us

The Students' Association

The Students' Association of Red Deer College was created by students for students. It provides a wide variety of services — scholarships and awards, used bookstore, student food bank, representation and advocacy, student employment, mental health events — to the students it serves.

The businesses the Students' Association runs, the Far Side Bar & Grill, the Lift, the SA used bookstore, help offset the costs of providing these services. Profits from these businesses go directly back to students.

Our mission — The Students' Association of Red Deer College will enrich and enhance the quality of student life at Red Deer College by providing affordable and quality services, effective political representation and exciting opportunities for its members.

Far Side Bar & Grill Catering

Our skilled culinary professionals have many years of experience and are eager to help make your event a memorable one.

We will work with you to create an outstanding catering experience, whether it is for a meeting, reception, small informal dinner, wedding or banquet. Menu selections may be made from our standard menus — buffet dinners, light snacks, outdoor barbeque (weather permitting), cold lunches — or our friendly staff can help you create your own special menu.

The Far Side Bar & Grill may be booked by current students, staff and faculty and Red Deer College alumni.

As you are planning your event, please review the following guidelines.

The Room — The room will seat one hundred guests with a dance floor or one hundred and fifty without one.

We can provide a podium and microphone for speeches and announcements.
